

# BPF GLOBAL SECURITY

DETECT — DEFEND — DETER

## BPF GLOBAL SECURITY

Guarding,  
patrolling  
and protecting  
Australia  
wide

BPF Global Security is a specialist Security and Facilities Management company providing professional security personnel, risk management, WH&S consulting, WH&S systems management, WH&S safety officers and training to both the public and professional sectors.

Established in 2002, our strong professional management team has over seventy years combined experience in the security and facilities management industry.

Our exceptional team and commitment to excellence, reliability and competitive pricing have led us to win numerous high-profile contracts.

Our  
Mission &  
Vision

Be the nation's leading security service by employing truly committed personnel who are dedicated to excelling in their field.

Respect and protect the rights of our clients and the public by ensuring swift, lawful action is taken against those causing harm or nuisance.

Promote and enhance community confidence and the environment for those who live, work, visit or travel through our service area.

Expand our existing clientele and provide a viable, professional and cost-effective security solution to all who depend on us.

## At a Glance

### Highly trained, professional & experienced staff

All personnel are hand selected according to stringent employment criteria. They are fully accredited, continually trained, and guaranteed to be compliant with the latest ISO and national standards.

### Residential, commercial, industrial & public sectors

The same level of service, no matter how large or small your organisation. We have successfully protected some of the nation's most prestigious and high-risk **businesses, venues and events.**

### On-call personnel

Fast response for emergency backup, staff illness, absenteeism, or other needs. We are available 24 hours a day, 365 days a year.

### No-obligation site assessments

We listen and analyse the situation before committing our clients to any agreement. We offer competitively priced **Risk Assessment Reports**, and also provide ongoing security and safety training and consulting.

# Mobile Patrols + Alarm Response

BPF Global Security provides patrols and on-call alarm response to your premises, **24 hours a day, 7 days a week, 365 days a year.**

Our fleet of **security vehicles** feature 24/7 **GPS tracking** plus continuous communications with our control room operators.

Public Utilities Facilities

Office Blocks

Residential High Rises

Shopping Centres

Commercial Premises

Construction Sites

Factories & Storage Facilities

Waste Dumps

Bus Depots

Marinas

Golf Courses

Brothels

Amusement Parks

Churches

Medical & Vet Clinics

All BPF Global Security personnel are continually trained to the latest international and national standards, and are dedicated to meeting your security needs to the fullest legal extent possible.

## Static Guarding + Crowd Control

BPF Global Security is the security provider of choice for a diverse array of Australia's largest private, commercial and public organisations, and also specialise in **security for events and functions**.

Our clients include corporate enterprises, residential buildings, transport providers, government bodies, music festivals, regional shows, exhibitions and expos.

BPF Global Security boasts highly trained, professional and conscientious teams, all of whom are dedicated to ensuring the safety of your staff, assets and clientele

### **Our static guarding services can include any combination of the following:**

- ✔ Uniformed & plain clothes guards
- ✔ Total crowd management (from planning to staffing)
- ✔ Security consultancy
- ✔ Close personal protection
- ✔ Asset protection
- ✔ Pit and backstage teams
- ✔ Security staff & supervisors
- ✔ Residential protection teams
- ✔ Search teams
- ✔ RSA marshalls
- ✔ Research and training
- ✔ High risk response & intervention teams
- ✔ Public safety consultancy
- ✔ Facilities security, integrity & management teams
- ✔ Canine services

We are committed to providing you with peace of mind knowing your people and assets are protected.

## WH&S + Safety Officers

With WH&S being such a high-risk area for many organisations, BPF Global Security offers its services to ensure our clients are both **compliant with legislation** and knowledgeable enough to respond correctly when the unexpected occurs.

Along with offering WorkCover-accredited EH&S audits, staff training and safety systems, BPF Global Security provides complete **WH&S management solutions and resourcing**, including management systems and safety officers.

We also offer access to our experienced WH&S safety officers. All BPF officers have current First Aid Certificates, Fire and Evacuation Training, WH&S Green Cards and are fully trained and accredited traffic controllers.

As part of our WH&S services, BPF Global Security will conduct a **no-obligation on-site safety assessment** at your request. Written risk assessment reports are also available for a competitively priced fee.

## Security Consultancy + Coordination

BPF Global Security provides mission-critical security consulting and coordination for businesses, venues and events.

This service includes all aspects of **security consulting and advisory**, from initial assessments and planning to staffing, training and debriefing.

- ✔ Threat analysis & vulnerability assessment
- ✔ Risk reviews
- ✔ Security planning
- ✔ Security systems evaluations
- ✔ Executive protection planning
- ✔ Crisis management
- ✔ Emergency services management
- ✔ Evacuation planning
- ✔ Integrated security system design & development
- ✔ Alcohol management
- ✔ Harm minimisation

## Training

BPF Global Security maintains its standing and reputation within the Australian security industry by engaging our staff in continuous **ongoing training and skills development**.

As an **ASQA approved Registered Training Organisation**, we also offer comprehensive training for our client organisations in a range of disciplines, including:

Bomb Threat Response

Emergency Evacuation

Armed Robbery & Prevention

Security Awareness

Risk Management

Conflict Management & Resolution

Aggression Minimisation

Cash Handling

Self Defence

First Aid

Retail Loss Prevention

WH&S

# Electronic Security

BPF Global Security offers competitive quotes and industry-leading security system design, installation, maintenance and monitoring.

Options include:

Alarm Systems

CCTV

Access Control

Intercoms

Medical Alarms

Our comprehensive **Integrated Security Systems** will detect, defend against and deter the increasingly sophisticated security threats facing our clients.

Our purpose-built Grade 1A (*the highest Australian Standard*) monitoring station is among the most advanced in use by any independent security provider nationwide.

Our responsive staff are on call to assist you **24/7**, and will dispatch a team or contact authorities immediately if intruders are detected.

## Private Investigation

Our experienced investigators are experts in:

- ✔ Surveillance
- ✔ Workplace misconduct
- ✔ Theft investigations
- ✔ Probity checks
- ✔ Matrimonial, cheating & partner investigations

## Close Personal Protection

We provide a full range of discreet, personal and professional protection services for high-risk or high-profile persons, including celebrities, executives and political figures.

We work to facilitate safety during normal day-to-day activities for our clients, ensuring minimal intrusions and/or public exposure as required.

- ✔ Close protection operations
- ✔ Anti-stalking operations
- ✔ Surveillance & counter-surveillance
- ✔ Surveillance detection
- ✔ Domestic & international travel security
- ✔ Emergency response planning
- ✔ Professional driving (*motorcades, defensive/evasive*)
- ✔ Protection from terrorism
- ✔ Absolute discretion guaranteed
- ✔ Advance intelligence for public sites/venues/appearances

# Our Commitment to You

The knowledge and integrity of our personnel are our strength. We pride ourselves on offering:

-  Protection and welfare for your premises, people, property and assets
-  Qualified, experienced personnel who are ready to serve and protect
-  Thorough understanding of your policies and guidelines
-  Unparalleled knowledge and application of conflict resolution techniques
-  Total compliance with and adherence to legislation and legal boundaries
-  Absolute discretion at all times
-  Management contactable 24/7
